

Huron Consulting Group redefines the traditional consulting experience by offering the highest quality services from top industry professionals in the healthcare, education, legal and business sectors. With a deep understanding of the complex challenges that companies face in the overall business landscape and in a specific industry, Huron provides clients relevant, measurable and sustainable solutions to address their business issues.

Huron Consulting Group helps clients in diverse industries improve performance, comply with complex regulations, resolve disputes, recover from distress, leverage technology, and stimulate growth. The Company teams with its clients to deliver sustainable and measurable results. Huron provides services to a wide variety of both financially sound and distressed organizations, including leading academic institutions, healthcare organizations, Fortune 500 companies, medium-sized businesses, and the law firms that represent these various organizations. Huron's range of services includes:

HEALTH AND EDUCATION CONSULTING

Provides consulting services to hospitals, health systems, physicians, managed care organizations, academic medical centers, colleges, universities, and pharmaceutical and medical device manufacturers. This practice's professionals develop and implement solutions to help clients address financial management, strategy, operational and organizational effectiveness, research administration, and regulatory compliance. WellSpring+Stockamp, Huron Healthcare partners with clients to provide comprehensive performance improvement solutions that improve quality, increase revenue, reduce expenses, and increase physician, patient, and employee satisfaction across the healthcare enterprise.

LEGAL CONSULTING

Provides guidance and business services with the challenges that confront today's legal organizations. These services add value to corporate law departments, law firms and government agencies by helping to reduce legal spend, enhance client service delivery, and increase operational effectiveness. Huron provides measurable results in the areas of digital evidence and discovery services, document review, law firm management services, records management, and strategy and operational improvements. This includes Huron's V3locity® Solution, the Company's streamlined e-discovery process, which makes discovery costs more affordable and predictable.

FINANCIAL CONSULTING

Assists corporations with complex accounting and financial reporting matters, financial analysis in business disputes and litigation, restructuring and turnaround, as well as valuation analysis related to business acquisitions. We have an array of services that are flexible and responsive to event and transaction based needs across industries. It is composed of certified public accountants, economists, certified fraud examiners, certified insolvency and restructuring advisors, certified turnaround professionals, and chartered financial analysts that serve attorneys, corporations, and financial institutions as advisors, consultants and expert witnesses in connection with business disputes, regulatory or internal investigations, and bankruptcy matters.
